@Komos72 @mr\_mitch\_hughes @shammanaj I did find as soon as kids got noisy it was time to change books up #daily5

16-Jul-11 00:14 | soltauheiler

I first experienced #daily5 when working as a paraeducator with 1st grade when going to grad school. Loved it & used in summer school.

16-Jul-11 00:14 | pageintraining

@soingirl @Komos72 I started daily 5 after reading the book and wanted a good structure for when I do GR groups #daily5

16-Jul-11 00:14 | amsgoodwin

@Komos72 I have a hard time stopping kids from shopping during Read to Self time! #daily5

16-Jul-11 00:14 | RandRaynor1

Teachers are surprised at using Cafe with 1st graders. Focusing on accuracy and fluency first helps #daily5.

16-Jul-11 00:14 | valruckles

Another non-negotiable - conferencing - CAFE is excellent for this - I love the targeted strategies #Daily5

16-Jul-11 00:14 | BJacketsfan

@PrincipalJ @amsgoodwin thanks would love a link to that #daily5

16-Jul-11 00:14 | amsgoodwin

Thinking e-readers would be excellent and cut down on all the book shopping and messing around some of them like to do. #daily5

16-Jul-11 00:14 | frugalteacher

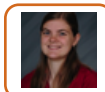

@RandRaynor1 @Komos72 my kids only shopped on day a week and picked books in their tub for the whole week #daily5

16-Jul-11 00:15 | amsgoodwin

I want to spend time at reading table talking about what they're reading during indep time. We did do that w/writing last year. #daily5

16-Jul-11 00:15 | BarbaraDay

@marykreul I am thinking of having them in milk crates #daily5

16-Jul-11 00:15 | lerickso

Second grade teacher in California, used #Daily5 two years ago, but not this past year.

16-Jul-11 00:15 | teach24\_7

16-Jul-11 00:15 | judykmck

@RandRaynor1 @Komos72 my kids would have about 12 books in their bags #daily5

16-Jul-11 00:15 | soltauheller

16-Jul-11 00:15 | soingirl

My goal: Daily 5 this year - CAFE next year. #daily5

16-Jul-11 00:15 | frugalteacher

@RandRaynor1 daily 5 and cafe lessons #daily5

16-Jul-11 00:15 | PrincipalJ

Q1 I teach 1st gr in Virginia and have used #Daily5 for 1 1/2 years. Cafe for 2, so D5 was a natural to follow.

16-Jul-11 00:16 | crtwojtera

@RandRaynor1 We do it all together, once a week. 8-12 books per child. Really builds enthusiasm for "shopping day!" #daily5

16-Jul-11 00:16 | Komos72

The sisters #daily5 website is an awesome resource. Good info for math too.

16-Jul-11 00:16 | valruckes

@frugalteacher Great goal! I highly recommend that! #daily5

16-Jul-11 00:16 | Komos72

@lerickso Crates are good idea - wonder about using big rectangular tubs; already use tubs for math tool kits #daily5

16-Jul-11 00:16 | marykreul

#daily5 I started out with intention of just doing daily5, but CAFE compliments so well decided to go for both

16-Jul-11 00:16 | qldteacher

@judykmck My #Daily5 runs as the three readings in one hour, kids use same rotation for a week. Writing and Word Wk I still set for kids.

16-Jul-11 00:16 | mr\_mitch\_hughes

@amsgoodwin When I did it, I would do a mini-lesson, #Daily5 center, and repeat.

16-Jul-11 00:17 | teach24\_7

@frugalteacher if you are teaching primary I really think CAFE & D5 go together so well, really worked naturally together #daily5

16-Jul-11 00:17 | soltauheiler

@Komos72 @frugalteacher baby steps;-) #daily5

16-Jul-11 00:17 | frugalteacher

Can't wait to implement #daily5 in the library this year. I pulled online resources together for my staff at <http://weblis.me/dailyfive>

16-Jul-11 00:17 | pageintraining

@BarbaraDay When you talk w/students at the table, are they talking about different books? Read about that and want to try it #daily5

16-Jul-11 00:17 | marykreul

I know lol, and hard to keep us all on one topic :) So exciting to talk about it all RT @judykmck: Wow, this is so hard to keep up! #daily5

16-Jul-11 00:17 | soingirl

@soingirl @judykmck I was just thinking the same thing!! Archive will be very helpful! #daily5

16-Jul-11 00:18 | Komos72

Just joining. Began #daily5 to help focus on developing independence in students. Saw trend of learned helplessness.

16-Jul-11 00:18 | missmc2

Off to dinner! Can't wait to read the archive! You guys are my inspiration!! #daily5

16-Jul-11 00:18 | inspiremind

@qldteacher I agree #Daily5 and CAFE definitely go together

16-Jul-11 00:18 | soingirl

have a rubric that I use & kids evaluate themselves at the end of d5..I eyeball them as they fill them out then talk to some kids #daily5

16-Jul-11 00:19 | hilary35t

@soingirl @qldteacher I also use both! I love the organization of assessment date Cafe provides. Gr8 4 Rtl also. #Daily5

16-Jul-11 00:19 | frugalteacher

@inspiremind Have a great dinner! Thanks for popping in! #Daily5

16-Jul-11 00:19 | soingirl

@frugalteacher I use our basals, but perhaps not in the prescribed way. Use them integrated with each center and the small groups. #Daily5

16-Jul-11 00:19 | teach24\_7

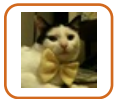

@hilary35t we used our flipcamera - plugged into SB and evaluated each other #daily5

16-Jul-11 00:19 | soltauheiler

I'm hoping it will keep people more on task. #daily5

16-Jul-11 00:19 | BarbaraDay

@judykmck Yup, I'm also thinking about how to let go of control over writing and word work. #Daily5

16-Jul-11 00:20 | mr\_mitch\_hughes

RT @marykreul: @qldteacher Should a teacher start w/Daily 5 and move to CAFE later? Or is it easier to use at the same time? #daily5

16-Jul-11 00:20 | jmsalsich

@soingirl I see #daily5 as the structure and cafe as the content. Is that how others see it?

16-Jul-11 00:20 | Saskateach

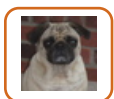

I thought Cafe was more for the early grades. #daily5

16-Jul-11 00:20 | BarbaraDay

@soltauheiler @hilary35t of videos - used this a lot in beginning #daily5

16-Jul-11 00:20 | soltauheiler

#Daily5 and CAFE complement each other so well - it might seem overwhelming to try both, but it is a great combo!

16-Jul-11 00:20 | BJacketsfan

@Saskateach @soingirl I agree! #daily5

16-Jul-11 00:20 | soingirl

@jmsalsich that's it thank you! #daily5

16-Jul-11 00:21 | PrincipalJ

@Saskateach LOL we think alike #Daily5

16-Jul-11 00:21 | soingirl

I like establishing #Daily5 first and then adding CAFE. They work together well.

16-Jul-11 00:21 | valruckes

@PrincipalJ @jmsalsich Looking forward to watching. #daily5

16-Jul-11 00:21 | RandRaynor1

@BJacketsfan Well, our district is in Program Improvement, so we have to spend a lot more time on literacy. Means time for #daily5 and WW.

16-Jul-11 00:21 | teach24\_7

16-Jul-11 00:22 | soingirl

@soltauhehler nice! I like that! May have to try it- saw a blog where they set up a private blog for kids SO trying that! #daily5

16-Jul-11 00:22 | hilary35t

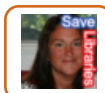

@Saskateach @soingirl Yes, Daily5 = structure CAFE=content #daily5

16-Jul-11 00:22 | judykmck

#daily5 don't forget that part of why D5 is so successful is that students get to CHOOSE what they will do and set their purpose

16-Jul-11 00:22 | PrincipalJ

@BarbaraDay I actually found it very useful for intermediate grades. They have a separate menu for K. #Daily5

16-Jul-11 00:22 | literacydocent

@marykreul #daily5. started D5 then bought CAFE book and realised it is not extra work, actually works better and makes use of D5 structure

MT @PrincipalJ: Part of why D5 is so successful is that students get to CHOOSE what they will do and set their purpose #daily5

16-Jul-11 00:23 | Komos72

I use #daily5 during my reading group time. My district has other writing programs Being a Write and Writing to Learn which I also must use.

16-Jul-11 00:23 | BarbaraDay

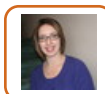

@mr\_mitch\_hughes I still have a sep. writing time, but Work on Writing is mainly blog comments or free choice writing #daily5

16-Jul-11 00:23 | judykmck

Me too, more efficient RT @soltauheiler: @judykmck @BarbaraDay felt like I did way to much individ. conf- next year more groupings #daily5

16-Jul-11 00:23 | PrincipalJ

@mr\_mitch\_hughes Makes sense...Thanks for the tip. #Daily5

16-Jul-11 00:23 | BJacketsfan

Kidblogs vs. edublogs? which is better? I would like to have my own "page" do both have that ability? #daily5

16-Jul-11 00:27 | frugalteacher

The basal works on certain strategies but I do guided reading on "strategies that need work" rather than book levels. #daily5

Arghghgh@ #daily5 chat moving soooo quickly!

16-Jul-11 00:27 | mr\_mitch\_hughes
